

# Chen Xinjia

South China University of Technology, Panyu District, Guangzhou • Guangdong, China • (+86) 15625048946  
chenxinjiasecret@gmail.com age: 23 female

## EDUCATION

<b>University</b>	South China University of Technology	Guangzhou, GD
Software Engineering	master Degree	Expected April 2019
<b>University</b>	South China Normal University	Guangzhou, GD
computer science and technology	Bachelor Degree	June 2016

## PROJECT EXPERIENCE

**school scientific research** Guangzhou, GD  
“Design and Implementation of Time XML Information Search Application System” 2014-2015

- Implement the algorithm JAVA
- Front display interface HTML CSS JS
- Software copyright

**Provincial Challenge Cup** Guangzhou, GD  
“Disinfecting Heart Rate Detection System Based on Video Image” 2014-2015

- Implement the algorithm c++
- Front display interface openCV
- Won the first prize

**App inventor** Guangzhou, GD  
2017.3-2017.4

- learn the source code of AI develop some simple applications
- learn the source code of Blockly develop some simple blocks
- learn the structure of GWT

## SKILLS AND CERTIFICATES

**Programming Languages:** JAVA, C++, and python

**Operating Systems:** UNIX, Linux

**Certificates:** CET6 , CCF Computer software capability certification (9,8%)
